

## Part of Transition Towns

Cycle Alberni is one of the groups within Alberni Valley Transition Town Society.

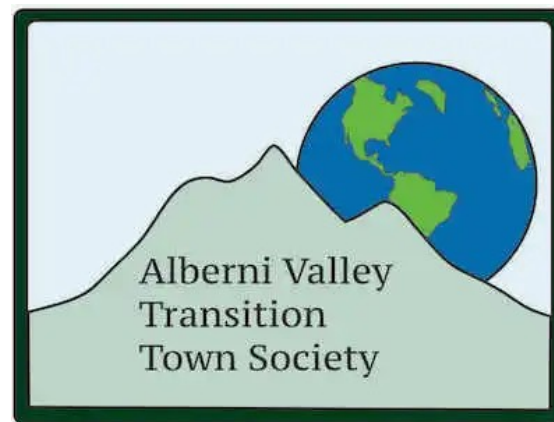

Other groups include Ocean Friendly Port Alberni (above) and the Dry Creek Restoration Group (below). Check them out on our website!

## Go By Bike!

Look out for our GoByBikeBC events every Fall, Winter and Spring. Look for info at [avtransitiontown.org](http://avtransitiontown.org), [gobybikebc.ca](http://gobybikebc.ca) or our Facebook Group!

Thank you for your support!

If you'd like to support Cycle Alberni or Alberni Valley Transition Town Society financially you can donate through our website, come to any of our events, or come to a meeting.

## Cycle Alberni

Come one, come all! Ride your bicycle (or-eBike, Scooter, or other wheeled device)!

We want to make Port Alberni the best little town for getting around on a bike.

## Get In Touch!

The easiest way to find us is through the AVTTS website at [avtransitiontown.org](http://avtransitiontown.org) or send an email to [avtransitiontown@gmail.com](mailto:avtransitiontown@gmail.com). You can also find us at Cycle Alberni on Facebook or just show up at one of our events!

Finally, all Alberni Valley Transition Town meetings are open to the public. We meet on the 3rd Wednesday of every month. 6PM at Char's Landing.

## Let's make riding fun and safe for everyone!

Safety is the biggest concern for all wheeled people on our roads. We're advocating and working with the City to make our roads and community spaces safer for all cyclists, pedestrians and other person-powered users.

You really can do anything with a bicycle. Just ask Charles!

## Bring your Bike to the Fall Fair and other City events!

AVTTS and Cycle Alberni have created a secure, mobile, bike storage facility. Look for us at community events around Port Alberni!

Big thanks to our many partners who help us throughout the year.
