

CONSTITUTION

Alberni Valley Transition Town Society

The Name of the Society is: **Alberni Valley Transition Town Society**
The purpose(s) of the society is (are):

(a) **Area:** The area covered by Alberni Valley Transition Town Society will be all the neighbourhoods and districts of the City of Port Alberni and the Alberni Valley Watershed including but not limited to the City of Port Alberni, and the areas commonly known as Beaver Creek, Cherry Creek, Sproat Lake and the Beauforts.

(b) **Vision:** We envision an Alberni Valley that is transformed within the next twenty years from the current dependancy on fossil fuels to a low-carbon, diverse, sustainable, and resilient society. Over that time we will be a transitioning community working together with other communities striving for the same goal.

(c) **Awareness:** To raise awareness of the issues in the community associated with the twin challenges of Peak Oil and Climate Change (The Challenges) and promote, encourage and support the development of education and research concerning The Challenges.

(d) **Implementation:** To create an Energy Reduction Action Plan (ERAP) for the Area including mechanisms for revision and re-evaluation and to support initiatives, by sub-groups (working groups) and individuals in the community, in furtherance of addressing The Challenges and implementing the ERAP.

(e) **Collaborative Thinking:** To work collaboratively and respectfully with the community and amongst our members and to use existing and future methods from the Transition Initiative model to address The Challenges and the ERAP.

(f) **Freedom:** To encourage the organic formation and dissolution of specifically targeted sub-groups (working groups), who may or may not include non-members of the Society, in order to implement initiatives relating to The Challenges and specific aspects of the ERAP.

(g) **Expansion and Support:** To provide the membership, other community groups, and individuals, with the encouragement and support necessary to transition to a low carbon, sustainable, and ethical future and to network with and support the actions of other Transition Initiatives on Vancouver Island and around the world.
